G2-SR S TILE

www.g2-sr.com

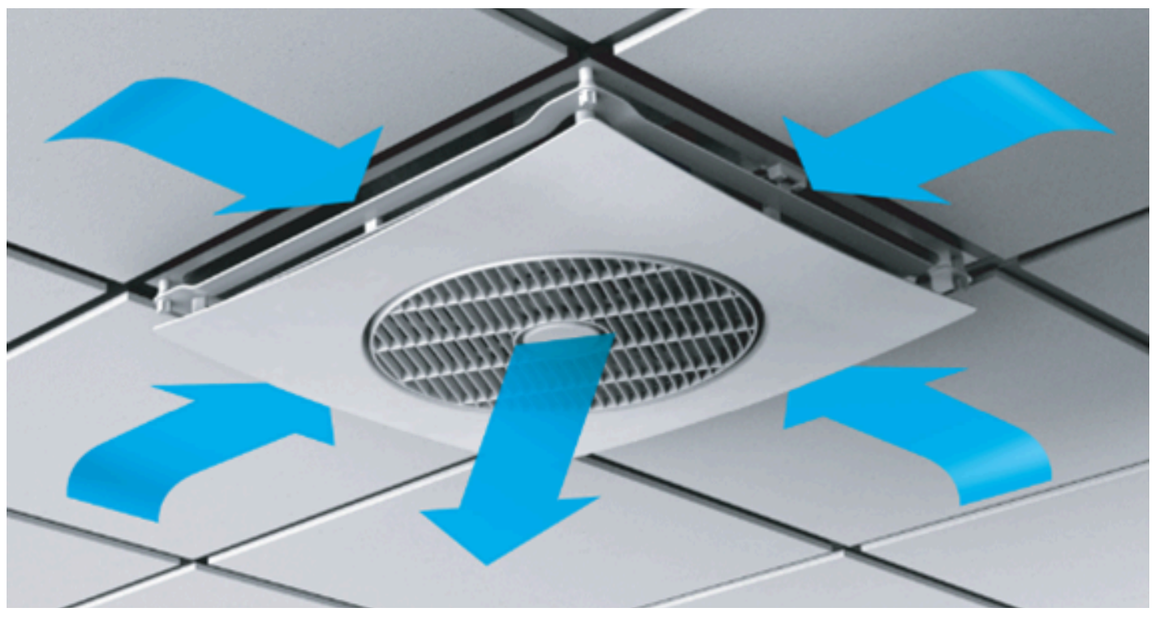

Cancer is the most dangerous threat to Emergency Services Workers health and safety

Go2 Safety and Rescue G2SR

Guarding the air you breath

A low profile, quiet operation ceiling tile fan with NPBI ™ soft ionisation technology directly integrated. The G2SR S Tile is designed to be fitted into drop/suspended ceilings using a standard 61 cm x 61 cm tile footprint and utilises a high efficiency brushless fan motor.

For the Station:

- Optimised Ion Distribution
- Minimised Noise Distribution
- Suited for large spaces
- Easy to install
- Ideally suited to spaces such as conference rooms, classrooms, and open-plan offices

NEUTRALISES

✓ VOC’s ✓ Bacteria ✓ Mold
